Statement Conflict Minerals – Dodd Frank Act Sec. 1502

In July 2010, new legislation was signed into US law, which pertains to the use of conflict minerals (Dodd-Frank Wall Street Reform und Consumer Protection Act). Conflict minerals include coltan (niobium, tantalum), cassiterite (tin), gold und wolframite.

In view of your request we can confirm that our suppliers do not use conflict minerals from the Democratic Republic of Congo and neighboring countries (Angola Burundi, Congo, Central African Republican, Republican of Tanzania, Rwanda, Sudan, Uganda and Zambia).

Changes to our knowledge regarding this issue would surely be advised to you immediately.
